This February, in honor of the Month of the Holy Family, **St. Anthony's Young Adult Group** will be doing something a little different: we have invited parishioner Paul Bowser to speak for us on family life.

Paul is a husband and a father to 12 children who also runs a successful Men's Group at St. Stephen's in New Boston. As the leader of his own "domestic church," he has decades of personal experience under his belt to draw from when it comes to providing practical advice and spiritual insight into married life and raising a rightly ordered, God-centered family, particularly for those of us who are discerning the call to marriage.
